Aperitivo Verde - 75cl

Product details

Luxardo Aperitivo Verde is green and represents a slightly more bitter version of our well-known Luxardo Aperitivo. It is a well-balanced Aperitivo with a variety of herbs, roots, and different types of citrus. Its moderate alcohol content makes it an ideal product for creating low-ABV drinks and, of course, for Aperitivo. It has a clear, deep green color with aromas of wormwood and orange, with hints of spices. The taste is slightly bitter, with notes of orange, wormwood, and gentian. Add Luxardo Aperitivo, Prosecco, and soda to a glass for the green version of the perfect Luxardo Spritz!
